Sir:

An interview was held on November 7, 2007, between Applicant's representative Theodore M. Magee and Examiner Albertalli. During the interview, proposed amendments to claims 13-15, 17-23, 30-33 and 35 were discussed to determine if they would overcome the section 101 rejections. In particular, the claims were amended to change "a computer-readable medium" to "a computer-readable storage medium." Examiner Albertalli indicated that he believed this would overcome the section 101 rejections.

In addition, an amendment placing the limitations of claim 16 into claim 13 was discussed. Examiner Albertalli indicated that such an amendment would appear to overcome the art.

The Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 23-1123.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
